

## 2023-2024 St. Michael Indian School Supply List

All student supplies must be LABELED. No school supplies violent symbols and pictures, skulls, or anything that would not be conducive to our school's mission. We recommend having construction paper and art supplies available at home.

Preschool to Grade 6: This set of supplies will be kept with the student in their bag. *SMIS has a limited number of supplies on hand.* Students will receive a carrying case for the electronic learning device (returning students will receive their bag from last year; new students will receive one w/their Chromebook). The device will be at no additional charge to the family, only an agreement for use which outlines purchasing options for student Chromebooks.
