Be on time. The bus cannot wait beyond its regular schedule for those who are tardy. Be at the bus stop 10 minutes before the bus is scheduled to arrive.

Always cross in front of the bus and at a safe distance in front of the bus in order to be seen by the bus driver's signal.

Do not run toward or across the street in front of a school bus while it is in motion.

Never stand in the road while waiting for the bus. Wait until the bus stops, watch for the driver's signal and then retrieve your child.

After school students will board the bus and immediately take their assigned seat and not move within the bus while it is in motion.

Remember that fighting at bus stops and, on the way, to and from school bus stops is subject to disciplinary action (to be reported to the school principal or administrative assistant).
